

# Syntropy 2024: Amplifying Ambitions

## Karyo

### Rules and Regulations

#### Registration Fees

Rs. 30/- per person

#### Prizes

- **Winner:** Rs. 600/-
  - **Runner-up:** Rs. 400/-
- And certificates for all participants!

#### Date, Time and Venue

- **Date:** 20<sup>th</sup> April, 2024
- **Time:** 9:00 – 10:00 AM
- **Venue:** BJ 104

#### Rules

- The goal is to correctly pair chromosomes within one minute
- Each player receives a game board with a cell nucleus and shuffled chromosome cards
- Start with a one-minute countdown timer
- Players take turns flipping chromosome cards to find matching pairs
- Successful pairs must be of the same type (e.g., two copies of chromosome 1)
- Earn points for each correctly paired chromosome in multiple rounds
- You will receive shuffled chromosome pairs and must match them within one minute
- A player will be selected randomly to determine the order of the game
- Set the one-minute timer and begin matching chromosomes
- Score points by correctly identifying and pairing chromosomes of the same type
- Continue matching pairs until the timer ends

#### Judging Criteria

The fastest player to match the most pairs correctly wins
