

Syntropy 2024: Amplifying Ambitions

Risk Resolve

Rules and Regulations

Registration Fees

Rs. 40/- per team (Team of 2)

Prizes

- **Winner:** Rs. 800/-
 - **Runner-up:** Rs. 500/-
- And certificates for all participants!

Date, Time and Venue

- **Date:** 20th April, 2024
- **Time:** 1:45 – 3:00 PM
- **Venue:** Subsea Building

Rules

1. **Team Composition:** Each team must consist of two members.
2. **Case Study:** The organizers will provide a case study of a real industrial accident to each team two days before the competition. The case study will include details of the incident, such as location, industry sector, nature of the accident, consequences, and any available investigation reports.
3. **Time Frame:** Teams have to analyze the case study, identify the root cause of the accident, and develop a proposed solution within the next two days.
4. **Rough Presentation Format:** Teams must prepare a PowerPoint presentation consisting of 10-12 slides. The presentation should cover the following aspects:
 - a. Introduction to the case study
 - b. Analysis of the root cause(s) of the accident
 - c. Proposed solution(s) to prevent similar incidents in the future
 - d. Implementation plan for the proposed solution(s)
 - e. Potential challenges and risks associated with the proposed solution(s)

5. **Time Limit:** Each team will have a maximum of 10 minutes to deliver their presentation.
6. **Q&A Session:** Following each presentation, there will be a brief question and answer session where judges or audience members can ask clarifying questions. Teams should be prepared to defend their analysis and proposed solutions during this session.

Judging Criteria

- Clarity and coherence of the analysis
- Identification and explanation of the root cause(s) of the accident
- Creativity and feasibility of the proposed solution(s)
- Effectiveness of the presentation delivery and communication skills
